☐ Yes ☒ No

☐ (If yes, please mark the areas on site map)

4.2 what is the soil condition of the proposed building location?

☐ Marsh ☒ Dry
Land Land

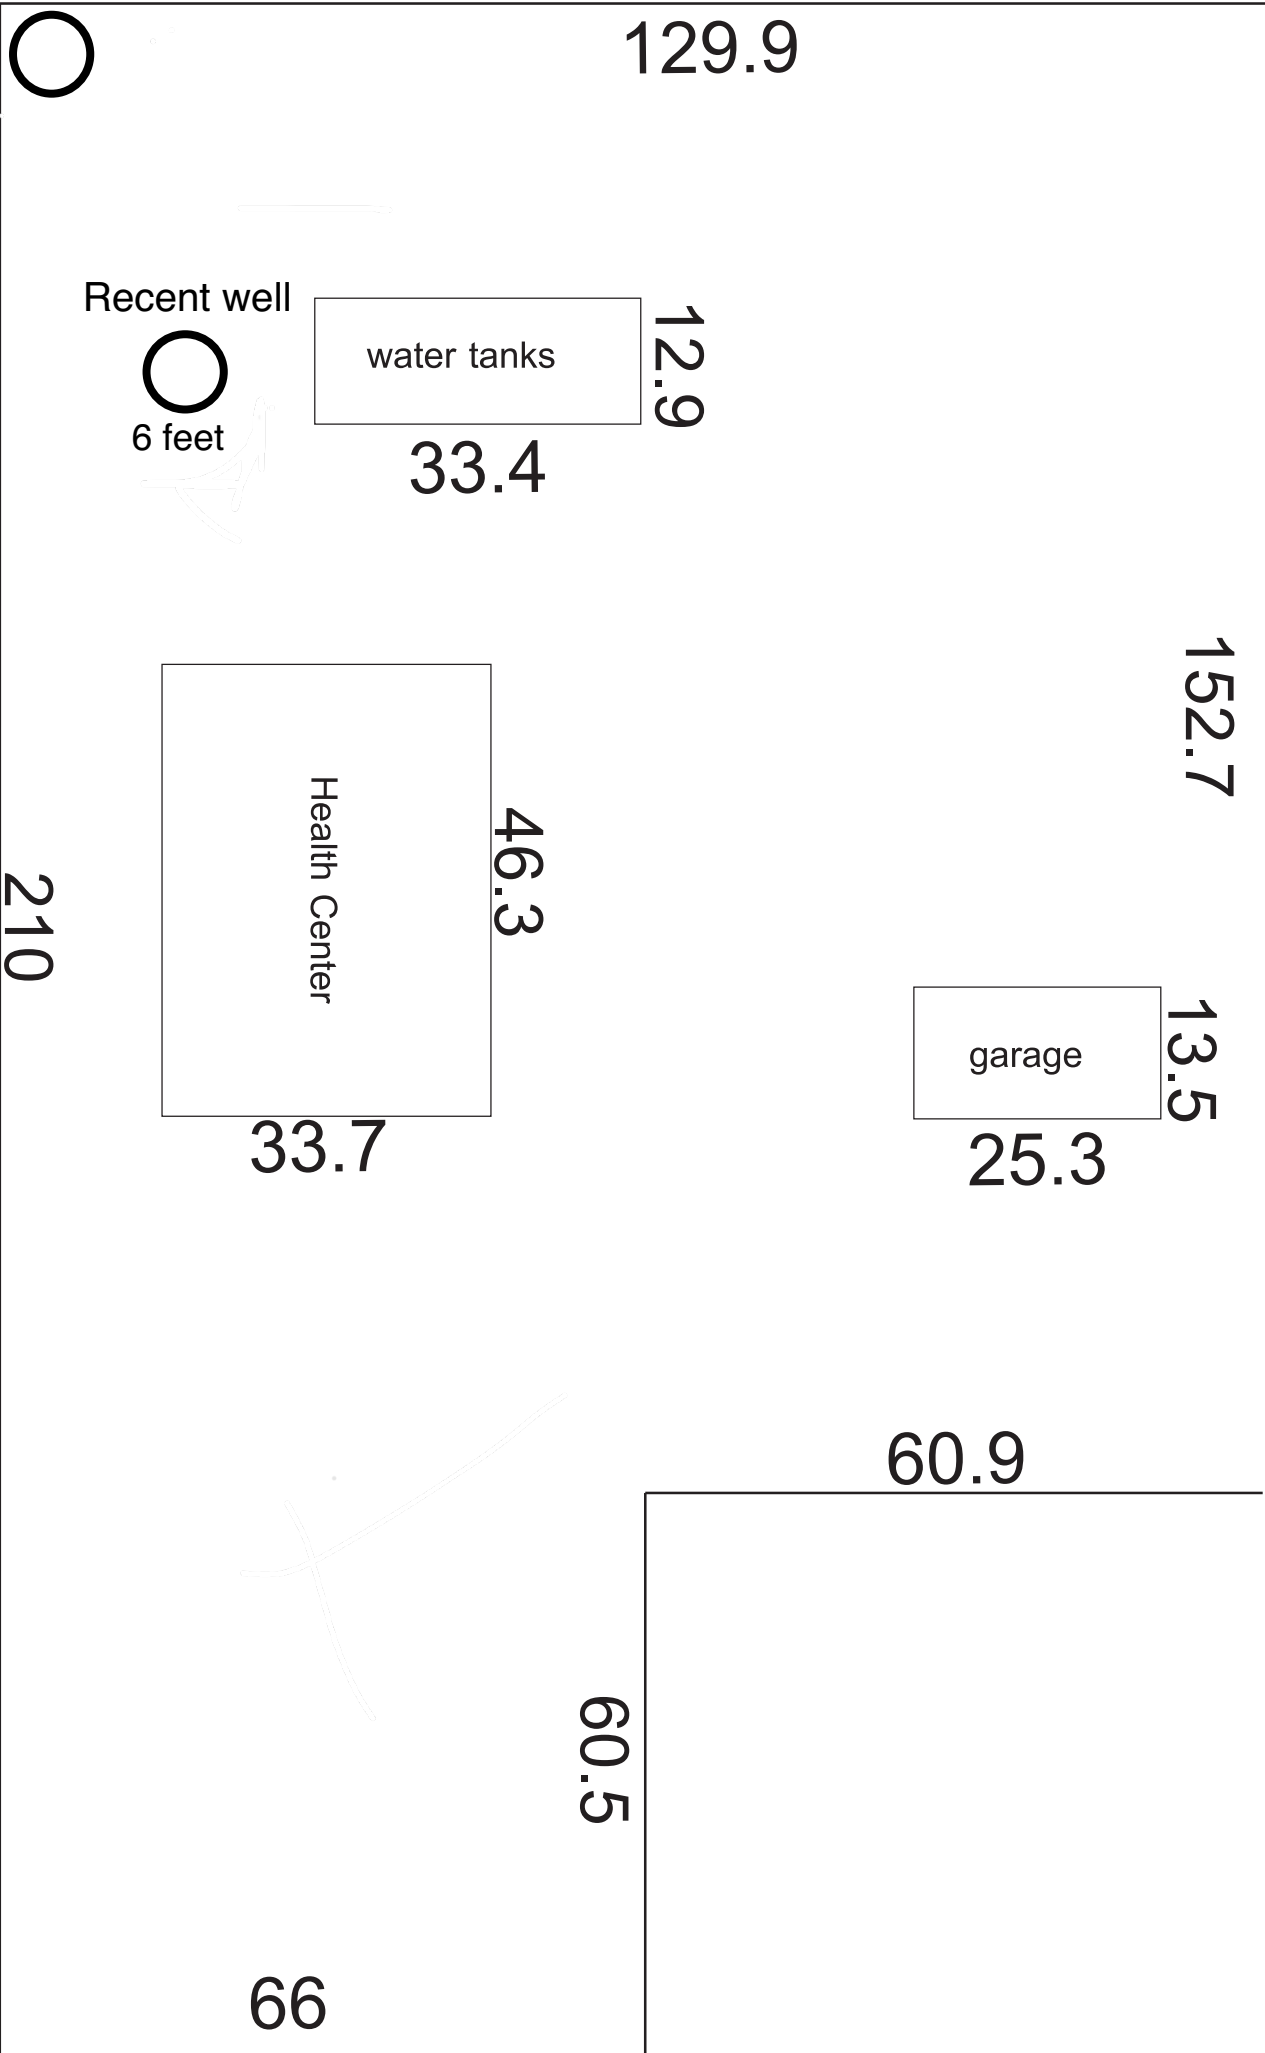

(If yes, please mark the areas on site map)

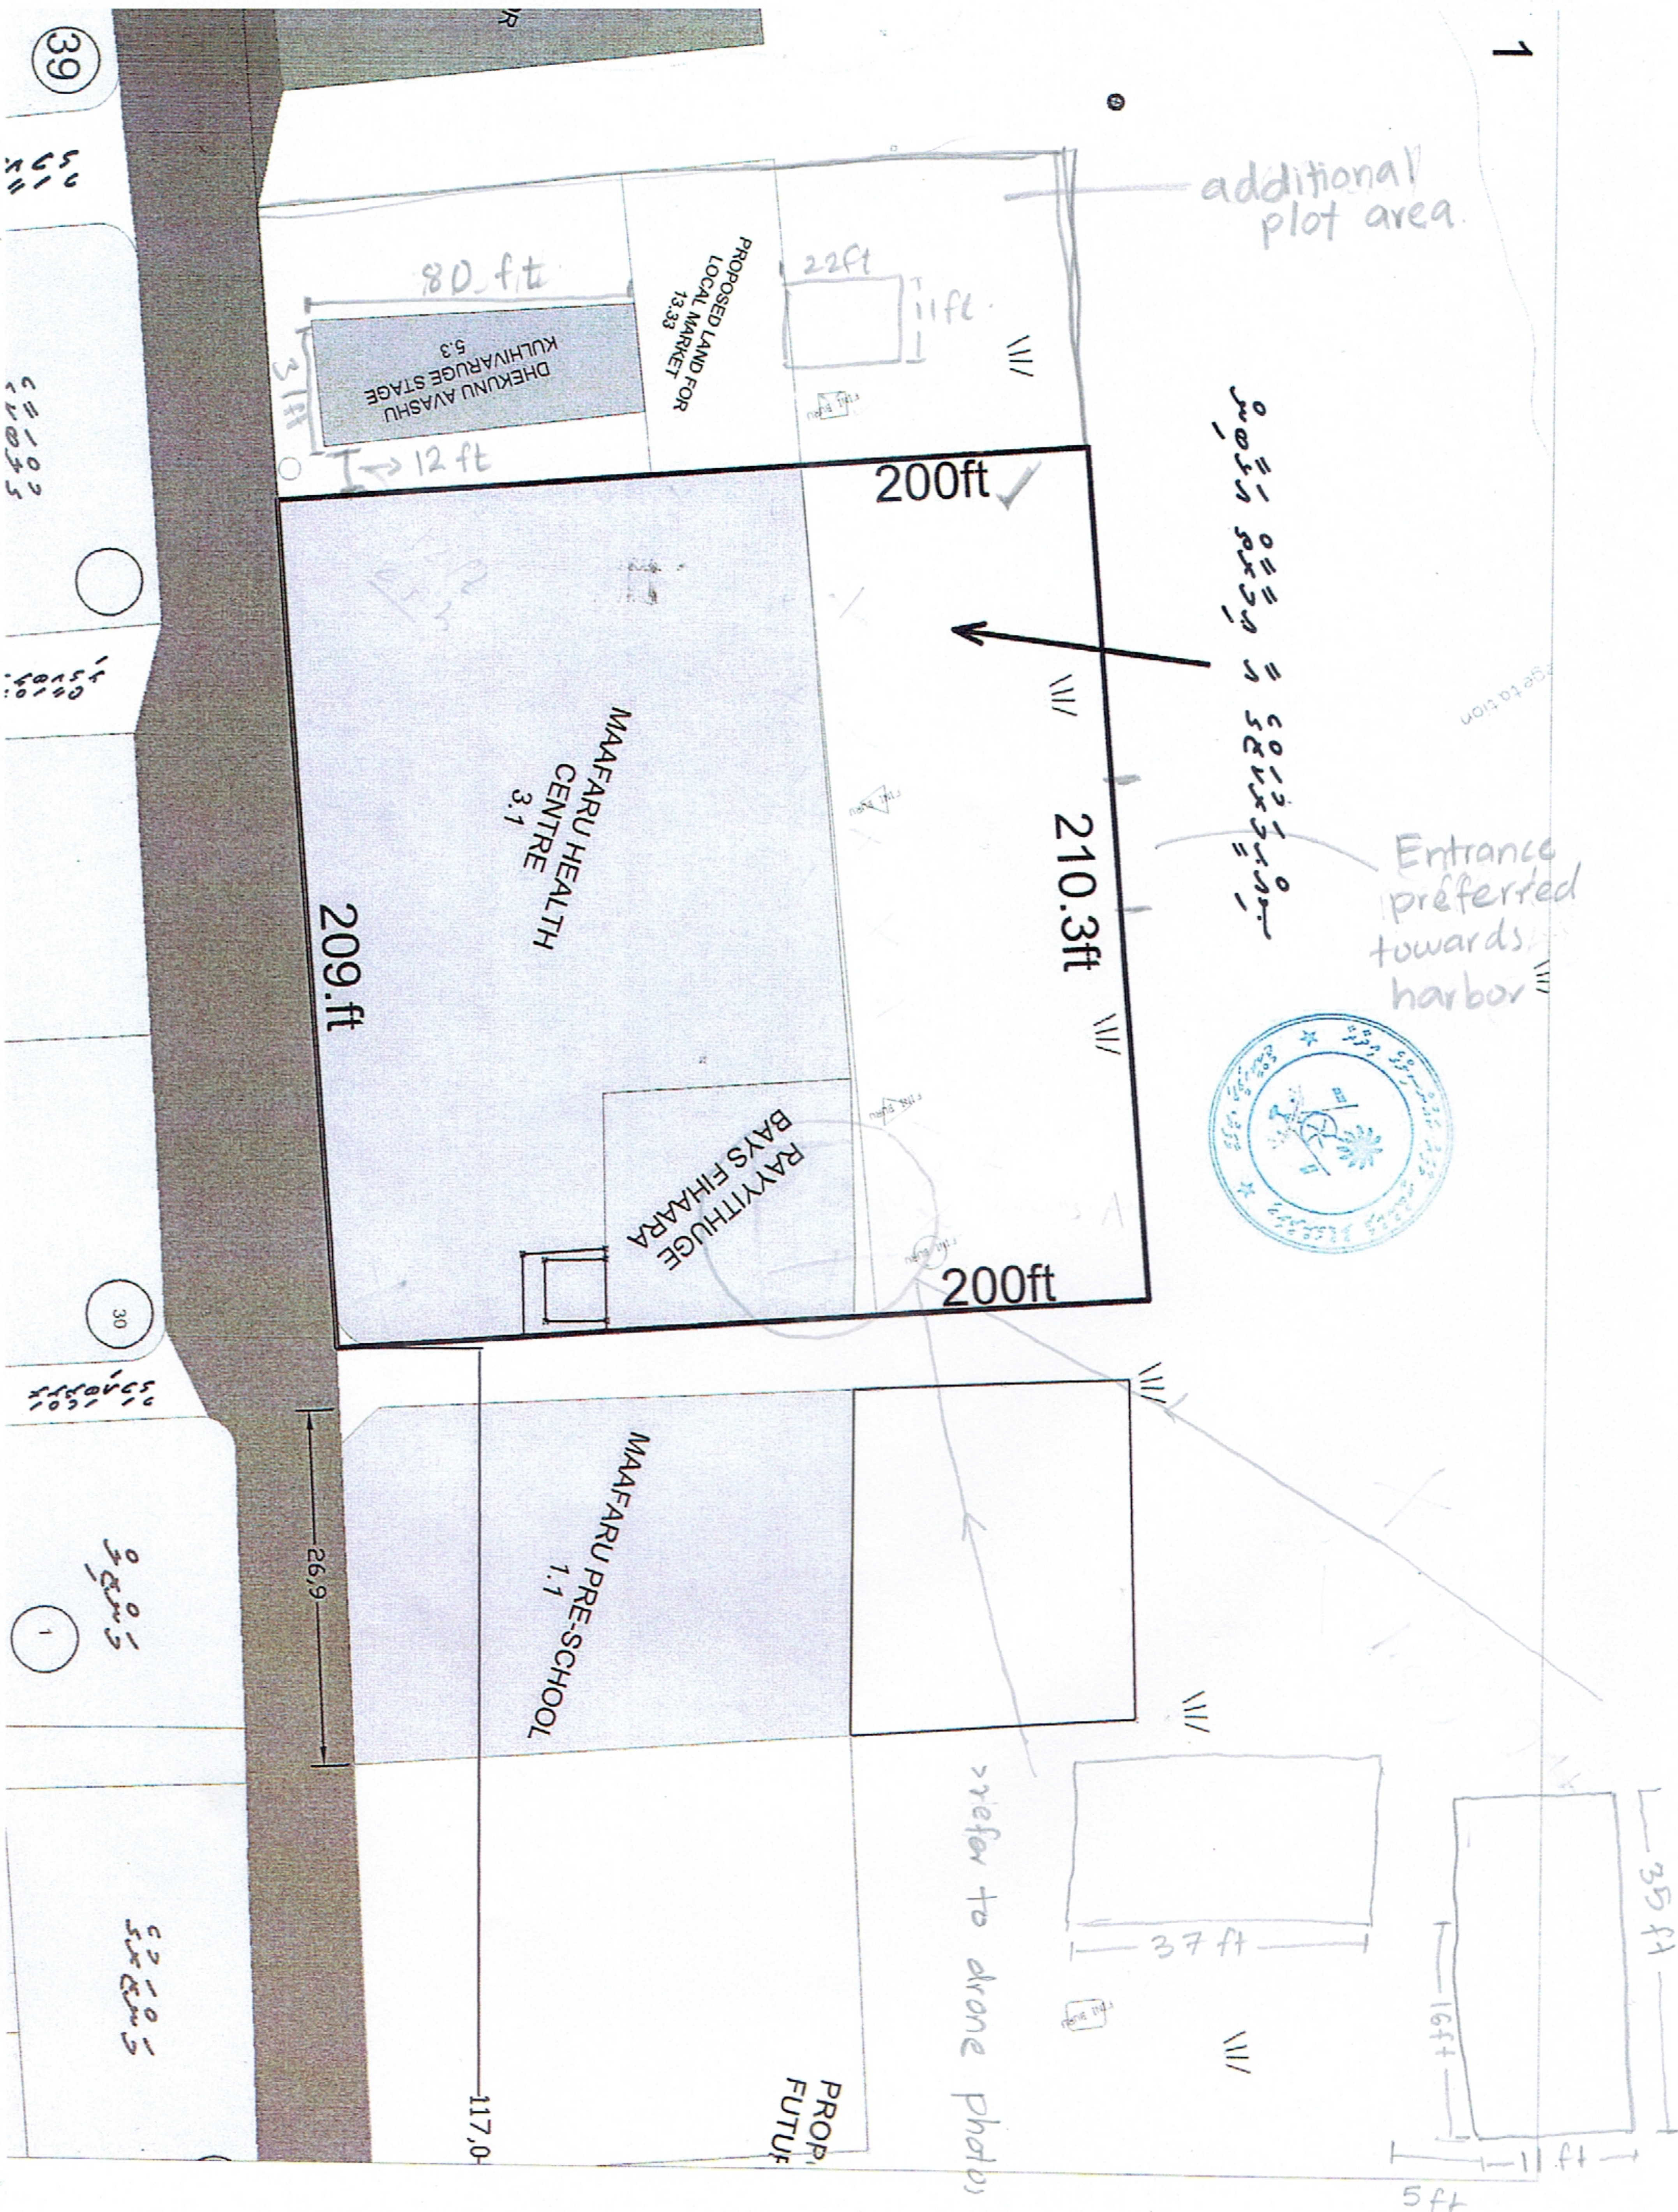

4.3 Are there any other issues faced proposed building location

☒ Yes ☐ No

If yes, please specify with reason..... *No Major issues but the council president had some concerns, they will be highlighted in detail in the following pages.*

The diagram is a site plan for a proposed school building. It features a central rectangular building with several rooms, each labeled with dimensions. To the right of the main building is a smaller rectangular structure labeled "STO" with dimensions "20" and "20". The plan includes numerous dimensions for building sections, setbacks, and overall site boundaries. A circular logo is visible in the top right corner. The drawing is oriented with a north arrow pointing towards the top right.
