CLARIFICATION 1

TES/2022/W-062- Remedial Works and Completion of 100 Housing units at M.Kolhufushi

| Queries | Response |
|--|---|
| 1. In bidding document, PCC 1.1 (v) mentioned as (xx days), is there any intended completion date for whole works? And we have to prepare a work schedule based on this duration. | The Intended Completion Date for the whole of the works shall be 365 days after Site Possession. |
| 2. Should have to submit concept drawings with selected type of housing unit during bid submission? (Annex 03, You provided two types) | The Contractor may either propose the existing layout (recommended), or propose a new layout which fulfil the requirements set out in the employer's requirement. |
| 3. Will all the buildings be in a single location, or will they be separated into various locations throughout the island? Please provide a site plan | No, the building will be in different locations, throughout the island (site locations attached). |
| 4. What is the condition of the 34 partially completed structures? If repairs are required, how will they be rectified? | Assessment report attached in annex 2 of tender documents. Site condition report is attached with this clarification. |
| 5. Does the built-up area per unit have to be strictly 1000sqft or is it acceptable if the area is slightly larger? (the housing unit floor plans provided in Annex 3 are 1028sqft | No. However, it should be between 1000-1030sqft. |
