➤ **Please find below the response to the queries raised.**

Contractor Comments	Response/Reference Document
1. The Scope of works and the design criteria are missing in the tender document.	Refer to Addendum 1 (TECHNICAL SPECIFICATIONS)
2. ITT 7.4 states that a pre tender meeting shall take place, however the date, time and the venue in not mentioned in the document.	Refer to Addendum 1 (Tender Document – TES/2023/W-009 (Revised))
3. PCC 1.1(v) states that the intended completion date for the whole works shall be 120 days from commencement, however in Section II, BDS under Clause ITT 11.1(b), sub clause 3(a) states that the total duration of the project shall not be more that 180 days. Which is the correct duration?	Refer to Addendum 4
4. The percentage values in PCC Clause 48.1 and 49.1 are missing.	Refer to Addendum 1 (Tender Document - TES/2023/W-009 (Revised))
