Dear Sir / Madam,

Re: Water and Sewer service to Hulhumale Domestic Violence shelter

Regarding the mail received on 23rd June 2022, for confirmation of water and sewer services at Hulhumale Domestic Violence shelter.

This letter is to acknowledge that upon submission of applications for utility services (water and sewer) it will be provided to the proposed location during construction period and upon completion of the building.

Therefore, please submit application form along with below mentioned documents to mail@mwsc.com.mv when the services are required.

- Application form with stamp, sign and designation of authorized person
- Land agreement

We thank you in anticipation of your kind attention.

Sincerely yours,

Male' Water and Sewerage Company Pvt. Ltd.

WAMCO-HR/GOV/2025/1128

The Waste Management Corporation Limited (WAMCO) provides sustainable and integrated waste management solutions for Malé City, serving residential, industrial, public buildings, and other inhabited facilities within the city.

This is to confirm that WAMCO will provide waste management services for the proposed Hulhumalé Domestic Violence / Gender-Based Violence (DV/GBV) shelter, both during the construction phase and after the completion of the building.

Please note that these services will be provided on a chargeable basis and the charges will be applied according to government-approved rates, which may vary depending on the type of waste. These rates are pre-approved and set by WAMCO.

Regards,

Abdulla Faid
