CLARIFICATION 2

#	Document Name	Document Reference	Query	Response
1			Regarding the clarification No. 13, please indicate what type of meteorological station is required.	See Section 6 - Employer's Requirements, 3.2.3 Meteorological Station.
2			Regarding the clarification No. 8 and 13, please confirm that it is allowed to change the quantity of the meteorological station from 0 to 4.	Refer clarification number 13. Each island is required to have 1 meteorological station. The tender required to install solar PV and ICE Plant in 04 different islands. Therefore, a total of 04 meteorological stations will need to be installed.
3			Please confirm if you will accept the Bid Security includes a digital signature. This signature would provide you with the guarantee that the Bid Security was actually generated by our bank and was not modified by a third party. You could check the signature with the softcopy included in the USB.	The current regulatory framework does not support verification of digital signature. As such, this is not acceptable.
4			After reading paragraph "ITB 21.4 However, if a bidder submits a bid security that deviates in form, amount, and/or period of validity, the Employer shall request the Bidder to submit a compliant bid security within fourteen (14) days of receiving such a request.", we understand it would be possible to attach our Bid Security in copy form and provide the original form within 14 days of receiving your request. Please confirm if you will accept this.	Original bid security should be submitted with the bid.
