1		A university can apply for the project either directly or via their consultancy arm. Note that the ToR states "The above scope of work will require the services of a suitably qualified and reputed consulting firm"	Universities, institutions, public sector organizations and NGOs that are not incorporated must provide details that they are duly established and legally capacitated to enter into binding and enforceable contracts with ADB (by charter, statute, etc.).
2		At this stage of the tender, confirm that there is no need to submit a financial or technical offer, as these will only need to be submitted in the final evaluation if shortlisted.	Confirmed.
3		Likelihood of an extension on the deadline for the submission of EOIs.	EOI submission deadline has been extended by 2 weeks.
