Contractor Comment		Response/Reference Document
1."Could you please clarify whether Performance Security and Advance Payment Guarantee are required? The PCC states 'Not Applicable' for both (PCC 4.2 and 14.2.1), but ITT 41.1 and 34.5 refer to Performance Security, and an advance payment mechanism and related security form are included in the tender documents. This appears contradictory.	PCC 4.2, PCC 14.2.1 ITT 41.1 and 34.5	Refer to Addendum 3
