Please include this amendment when submitting the bid. ٤٥

➤ **Please find below the response to the queries raised.**

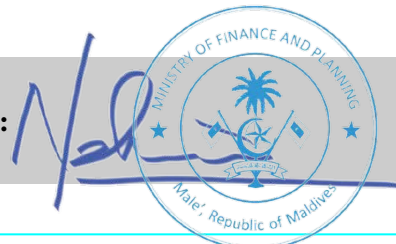

| Contractor Comment | Response/Reference Document |
|--|---|
| 1. Can you confirm whether the channel shown in the attached drawing requires deepening to – 4MSL too. | The channel is drawn for reference and does not require dredging |
| 2. Is there any bathymetry available for the existing Harbor & Channel? | There is no bathymetry for the existing harbor |
| 3. There is a separate Bill (Bill no. 8) in BOQ for Demolition of existing structures. Can you identify in the drawing, which structures to be demolished? | This item should be billed for any demolition of the structures that are within the scope of the harbour. If there is no structure then no need to bill this item in BOQ. |
| 4. Request an extension of fifteen (15) days from the current submission deadline. | Refer to Addendum 1 |
