This Addendum is issued pursuant to the Tender Document for the above-mentioned assignment and shall form an integral part of the Tender Documents.

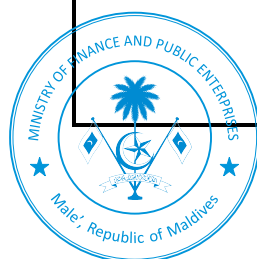

Proposal Submission Deadline

Following changes to the Section II - Bid Data Sheet (BDS).

G. Evaluation of Technical Parts of Bids										
ITB 32.4	The weighting to be given for Rated Criteria (including technical and non-price factors) is: 50%									
	<i>The weighting has been determined based on the contract's placement within the risk-and-cost matrix approved in the PPSD, where the procurement is assessed as High/Substantial Procurement Risk and High Value between 50% to 80%.</i>									
	The technical factors (and sub factors if any), which for purposes of this document carry the same meaning as Rated Criteria, and the corresponding scores out of 50% are:									
	<table><tr><th colspan="2">Evaluation Criteria</th><th>Weight</th></tr><tr><td colspan="2">1. <i>Installation and commissioning plan (Assessment of the feasibility, clarity, and completeness of the proposed plan to complete installation and commissioning Head Office and 3 locations physically)</i></td><td>15%</td></tr><tr><td>Sub-criteria</td><td>Evidence to Evaluate</td><td>[100%]</td></tr></table>		Evaluation Criteria		Weight	1. <i>Installation and commissioning plan (Assessment of the feasibility, clarity, and completeness of the proposed plan to complete installation and commissioning Head Office and 3 locations physically)</i>		15%	Sub-criteria	Evidence to Evaluate
Evaluation Criteria		Weight								
1. <i>Installation and commissioning plan (Assessment of the feasibility, clarity, and completeness of the proposed plan to complete installation and commissioning Head Office and 3 locations physically)</i>		15%								
Sub-criteria	Evidence to Evaluate	[100%]								

	(a) Methodology and implementation approach	Detailed installation methodology, sequencing, and commissioning procedures	(40%)
	(b) Implementation schedule	Work plan/Gantt chart aligned with project timeline	(20%)
	(c) Resource deployment plan	Proposed staffing, tools, equipment, and deployment arrangement	(20%)
	(d) Risk management and mitigation	Identified risks and corresponding mitigation measures	(20%)
	2. Installation and commissioning plan (Assessment of the feasibility, clarity, and completeness of the proposed plan to complete installation and commissioning Head Office and 3 locations physically)		20%
	Sub-criteria	Evidence to Evaluate	[100%]
	(a) Rollout and scalability strategy	Phased deployment and large-scale implementation approach	(30%)
	(b) Remote deployment methodology	Proposed tools, automation, and remote configuration approach	(25%)
	(c) Logistics and coordination plan	Site coordination and scheduling arrangements	(20%)
	(d) Risk management approach	Mitigation measures for connectivity and deployment risks	(15%)
	(e) Quality assurance and testing	Acceptance testing and validation procedures	(10%)
	3. Training plan (On the job training for 6 Engineers locally in Male)		15%
	Sub-criteria	Evidence to Evaluate	[100%]
	(a) Training methodology	Structure and delivery approach for on-the-job training	(30%)
	(b) Training content and relevance	Training modules, operational coverage, troubleshooting scope	(25%)
	(c) Trainer qualifications and experience	CVs/certifications of proposed trainers	(20%)

	(d) Training schedule and duration	Proposed training timeline and duration	(15%)
	(e) Knowledge transfer approach	Long-term support and sustainability measures	(10%)
	Total		50%

All other provisions of the Tender Documents shall remain unchanged.
This Addendum forms an integral part of the Tender Documents.

Fathimath Rishfa Ahmed
Director General, National Procurement
