

Technical Specification of UPS

Feature	Minimum Requirement
Output Voltage	230V AC
Output Connections	(3) IEC 320 C13 (Battery Backup) (3) IEC 320 C13 (Surge Protection)
Minimum Backup Time	Half Load: 15 minutes Full Load: 05 minutes
Topology	Line Interactive
Input Voltage	230V AC (With an adjustable range of 175 - 295V)
Input Connection	IEC 320 C14
Battery Type	Maintenance-free sealed Lead-Acid battery
Cables	<ul style="list-style-type: none">• 2 x 1.8m IEC Power Cords• USB cable)
Warranty	<ul style="list-style-type: none">• Parts Warranty: 2 years• Service Warranty: 2 years
