

CLARIFICATION 1

1 ވަނަ ސަފުހާ

ނަންބަރު No:	Supply and Installation of Passenger Lift to Existing 13 Storey Building with Extension of Single-Storey Annex at Ground Floor		
މަޢުލޫމާތު Project:	TES/2023/G-016		
ދިނުމުގެ ތާރީޚު Issued Date	19th November 2023		
ސަފުހާގެ އަދަދު No. of Pages: -01	ބީ.އޯ.އެލް.ބީ. BoQ: -00	ޑްރޯޕިންގ Drawings: -00	

Please include this Clarification when submitting the bid. ބިދު ހުށަހަޅާ ފަދަ ދަށުގައި މި ސަފުހާ ހިމަނާށެވެ.

➤ Please find below the answers for the queries.

Query	Response
1. Is it a requirement to provide pricing for all the items listed in the BOQ summary, covering items 1 through 12?	It is required to provide pricing for all the items in the BOQ summary except bill no 5 Metal works and bill no: 8 Hydraulics, drainage and equipment.
2. What are the anticipated requirements for certain items detailed in the BOQ summary, i.e. metal works, ceiling works, tiling & finishing works, painting works, and so on?	All works are to be completed as in BOQ and drawings other than BOQ bill no: 5 metal works and BOQ bill no: 8 Hydraulics, drainage and equipment. All other mentioned works such as ceiling works, tiling works and painting works are involved in this project. Please study the drawings along with BOQ and technical specifications.
3. Is it the Ministry's expectation that the lift installation and maintenance team will also handle tasks related to the lift, steel structure, roofing, and air conditioning works?	Please note that, this project is not just for installation of a lift in a completed and finished hoist way. This project involves preparing of Hoist way with steel structure which is to be connected to existing building (refer drawing details). The work also include completion of a roof at passageway at terrace floor and air-conditioning works at Ground floor new extension area. There is no role for maintenance team and entire works are to be executed by a civil contractor who can supply and install the specified brand lift with completion of related civil works.
