|--|-------------------------------|---|---|
| 1 the state of the | Y OF FINANCE POLICE OF MARKET | If the bidder is an oversea company, upon awarded must the bidder company setup a local entity for any billing or collection? Next ii is required for a local entity setup for billing purpose, can the bidder assign the any local company entity as representative? | Bidders are advised to seek all applicable foreign investment registration requirements and do their own due diligence on what may be required. For more information, please visit: http://www.trade.gov.mv/. It is our understanding that if the bidder is an overseas company, it is mandatory to register their company or entity in the Maldives before commencing any work. Work can be subcontracted to local or foreign parties subject to clause 19 of Section 8. |
